Issue 6

Well, we have nearly made it to half term. The children have worked extremely hard and the work that has been produced by our children is amazing. Check out the African Art in Year 3 at Parents' Evening!

There is a really positive buzz around our school. Learning muscles are being embedded across the school and the children are excitedly discussing their newly exercised muscles!

Thank you for all of the parents that came to our drop in sessions; we have some excellent suggestions that we will discuss with staff in the near future.

We would like to share the news that Miss Martin will be staying for the whole academic year with her class.

This week's Learners of the Week are:

- Zara in Caterpillars who has flexed her 'independence' muscle.

Children in Need 2016

This year's Children In Need takes place on Friday 18th November. To raise money for this event, we would like to invite the children to 'go spotty' for Children In Need! Simply come to school wearing spots in exchange for a voluntary donation to Children In Need (we recommend a donation of £1). You can be as creative as you like.

We will also be running a colouring competition with a winning prize for each Key Stage. Colouring sheets will be available from the office from Friday 11th November and can be purchased for 20p. All entries must be returned by Thursday 12 November and will be judged by Miss Schofield and Mrs Ross.

Thank you for your support for this worthy cause.

The day the Air Ambulance

On Sunday 9th October the Air Ambulance landed on the school field. It flew over my house and my Mum said it was going to land. We saw it near the school so we went down to see it. We saw my Mum's friend PC Rudge. A man nearby had hurt his hand. The pilot let us take lots of photos.
