Half-Term

Monday 29th May-

Friday 2nd June

School closes at 1:15pm on  
Tuesday 25th July

A message from

Mrs Jones

This half term has definitely ended on a high note following our Community Concert yesterday. The children performed confidently and with really passion and it was a pleasure to watch. Next year, we have extended our music provision to offer Year One and Year Four sessions throughout the year with Hampshire Music Service, learning various instruments and having opportunities to perform on a termly basis.

Year Four returned after their night camping at Gilbert White's House. Highlights included a bat walk, a beautiful star filled sky and Mr Peters cooking pizza for 60 hungry children! Children and staff had an amazing time, despite coming back rather tired and smelly! Year Five's trip to Calshot last week was also a success with children really challenging themselves and persevering with tasks that were new to them or out of their comfort zone. We have booked Stubbington Study Centre for next March for our Year Four cohort and will give parents further details in the Autumn term.

Our new sunflower garden at the front of the school has survived the hot weather and should look beautiful come late summer. We were very lucky to have a team from Lloyds Bank come in for a day to dig and plant alongside the children. We are now eagerly awaiting the first seedlings to appear!

Sadly today, Miss Cheate left Shamblehurst on a very exciting journey travelling the world before starting her teacher training in September. Miss Cheate is a valued member of our team and we will really miss her.

I would like to wish all our families a relaxing and peaceful half term. Hopefully the sun will keep shining and I look forward to seeing you on the Monday 5th June.

*Mrs Jones*

# Year 1 – Fire Crew Visit

On Tuesday 16th May, Year 1 were very lucky to have the fire crew come and visit. The day started with a talk to all of us about fire safety in our homes. We learnt lots of facts and were shown what firefighters wear. They told us we should make our grown-ups test our fire alarms at home at least once a week! Our two visitors were called Karen and Sandra and they were very interesting to listen to and also very funny! After our session together as a year group, we went off into our classes where we had 3 different activities set up for us.

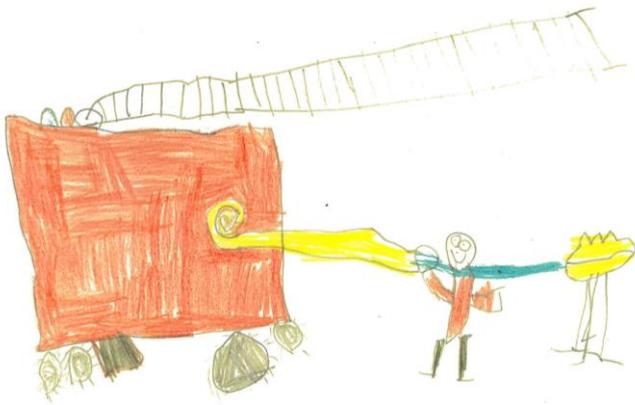

The first activity was a story about fire safety that was read to us and we had to join in and answer questions. This was great fun as it really got us thinking!

The second activity was a game a bit like snakes and ladders where we had to work together as a team (as that's what firefighters do) and roll the dice to work our way around the board. If we landed on a picture of a hedgehog we had to answer a question about road safety. If we landed on a picture of a flame we had to answer a question about fire safety. If we landed at the bottom of the ladder we could climb up it and finally, if we landed on a hose pipe we had to slide down it. It was such a good game and really made us work together and use our collaboration muscle!

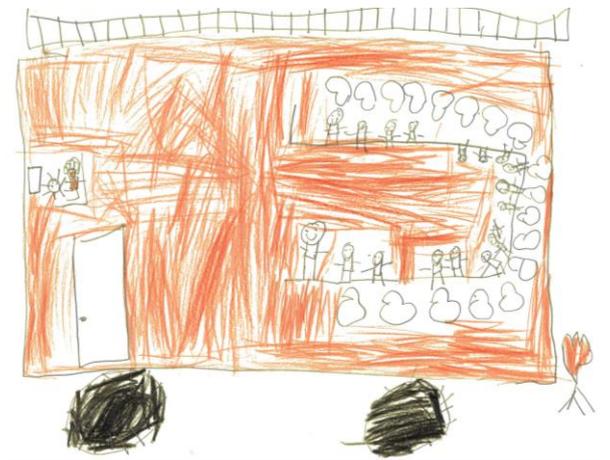

The third activity was the chance to go and see a real fire engine! We had to put our tunics on (we learnt that this is the name for the jackets that firefighters wear) and then we went outside onto the playground to see the fire engine. We were extremely lucky because we got to sit inside, put a helmet on and learn about all of the different things that a fire engine does. After that we even had a go at using the big water hose to put out a pretend fire. It was such good fun! Karen and Sandra both got us all wet too!

Everybody – the children and the grown-ups thoroughly enjoyed our day and have learnt lots of information about fire safety!

## Makaton Group

On Friday 12th May, Makaton performed Frozen in assembly. Children have been practising the signs for weeks and have been doing fantastic job!

Makaton is a language programme using signs and symbols to help people to communicate. It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.

# Walk to School Week

Monday 15th May – Friday 19th May 2017

Lots of certificates and stickers were given out during Walk to School Week!  
Well done to all those who walked and cycled to school. Keep it up!

## Spring Term 100% Attendance Assembly - Friday 28th April

A big congratulations to all those children who received a 100% Attendance Award for the Spring Term 2017!

In total, 184 children had 100% attendance, 85 children in KS1 and 99 children in KS2.

The class with the highest number of children with 100% was 3ER who had 16 children – well done!

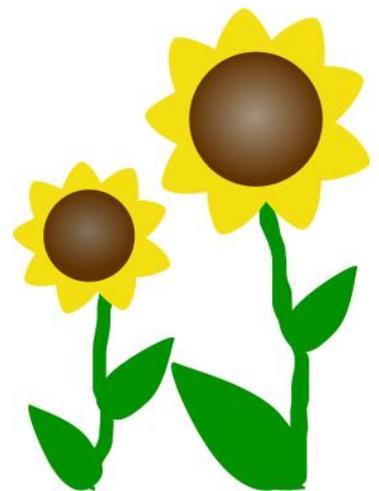

# Year 6 Important Date!

The Year 6 Leavers' Posh Disco will be held on Monday 24th July 2017 from 6:15pm - 8:30pm, at Shamblehurst.  
More details will be provided nearer the time.

## Give and Gain Project

A huge thank you to Vicky Hart and her team of wonderful gardeners from Lloyds TSB, who came and helped us tidy the front flower beds of our school. Every child of Shamblehurst has now planted a sunflower and we look forward to watching them grow. Whose will be the tallest?!

# Year 5 – Calshot Residential

Last week Year 5 thoroughly enjoyed their trip to Calshot Activity Centre. Although for most of the trip the skies were grey and the rain was falling, it didn't dampen spirits in the slightest. We were still able to enjoy all of activities which included: sailing, kayaking, archery, rock climbing and skiing. There was even an opportunity for Mr Peters to show off his DJ skills at the disco! The children all behaved impeccably and were a real credit to the school. It was a pleasure to see them trying new things and flexing lots of different learning muscles when they found the activities challenging.

# Help Us To Help You

We are looking for volunteers with building expertise, to help the school install a new kitchen and work surface in our DT Room.  
Please contact us at the school office.

We are a 'nut free' school. Due to allergies in school, children must not have peanut butter in their sandwiches, or any other nut products.

Year R and KS1  
Please ensure children come to school wearing sun cream and bring a sun hat in the hotter weather.
