Half - Term

Monday 23rd July 2018 - school closes at
1:15pm for the Summer Holidays

A message from

Mrs Jones

How can we be approaching the last half term of the school year?

It seems unbelievable! This month has flown by and we have been lucky to see the sun! As I write we are getting ready for the year 4 sleepover at the top of The Spinnaker Tower! It promises to be quite a night with storytelling from Michael O'Leary, a pizza delivery 170 metres in the air as well as spectacular views of the Solent and Portsmouth Harbour.

Year R have made the most of the weather and have planted seeds and plants in their growing areas. We have many green fingered children it would seem!

Last week the whole school enjoyed our Royal Wedding feast, whilst Year 2 took it a little further by designing Meghan and Prince Harry's new home, as well as a hat for the Queen! Thank you for your support for our red, white and blue day. These days really do help support curriculum initiatives within our school and we are so grateful.

Year 6 and Year 2 have all completed their SATS - we are really proud of all the children! Year 6 are now focussed on completing the last parts of their writing curriculum and are off to The Mayflower to see War Horse after half term. Rehearsals are also underway for their production of Bugsy.

HSBC bank will be spending a 'community day' in school during the first week back, working on one of our middle areas and clearing it so that we can start work on Emma's Secret Garden. All year groups will be working on an end of term challenge which involves making, designing and selling their products. The year group which makes the most profit will have a special treat! This fundraising will go towards Emma's Secret Garden - the creation of a living space that offers all our children opportunities to grow plants, observe mini-beasts and wildlife as well as having quiet areas for reflection and mindfulness. Emma's mum has been instrumental in designing this garden. So be ready to sample some of our products at the end of term.

We said goodbye to Mrs Ross today. We will miss her greatly. She has been an asset to the Year 6 team. Mrs Ross' talents in singing and performance have meant she has been key in our Young Voices club and performance at the O2, The Take That Nativity as well as Our Community Choir. She goes on to take up a role in Children's Services and we wish her all the very best.

Mrs Jones

Outdoor Learning at Shamblehurst

It's been a busy term of discovery for the children at Shamblehurst, with a range of topics and activities covered through indoor and outdoor sessions.

Firstly the wide range in weather has given us plenty of opportunity for learning and discussion from playing in the snow to ensuring sun lotion has been applied, it's certainly been anything but predictable.

The main activity for each class and year group this term has been 'The Lost Words'. The project was set up after I was introduced to the book of the same name written by Robert McFarlane. The book features 20 words which over the course of a few years have been removed from a number of children's dictionaries, words such as Newt, Bluebell, Adder, Kingfisher and Wren. Words which used to be common place but for whatever reason are seen by some people as outdated and no longer needed... we at Shamblehurst strongly disagree!

Children have been learning about each of the Lost Words, participating in activities and projects aimed at giving information and capturing imaginations with the premise 'seek, find and speak' in the hope that this will help bring the Lost Words back into the conversations of children and adults... how many Lost Words have you seen around the school?

With the eventual arrival of spring this has given children to opportunity to explore the conservation area and all of the plants and animals which have begun to show signs of life over the last few weeks. Children have enjoyed learning about the Common Newts which have once again appeared in our pond to lay their eggs, with everyone having the opportunity to hold them and have a close up look at one of Shamblehurst's cutest residents.

With spring finally here we will continue to explore and learn about as many aspects of the natural life we have here at Shamblehurst Primary.

Year 1 - Fire Service

Year 1 had a visit from the Hampshire Fire Service on Friday 11th May. We had an amazing time and learnt about fire safety. We were even able to use a fire hose to put out a pretend fire. Amazing!

We would like to thank the Fire Service for this great learning experience.

Community Concert - Wednesday 23rd May 2018

A huge thank you to Mrs Keith for organising such a wonderful event!
And to Mrs Engler for taking photos!

KS2 Competition

Bugsy Malone

We need you!

In Year 6, we are putting on a production of Bugsy Malone and would like you to help us in designing a front cover for our programme. It is £1 to enter and the selected winner will receive a 'Mystery Prize!' Your contributions will help go towards costumes and props for the show and the winning programme will be used for the audience to look through for the actual performance itself.

Using the template attached, we would like you to be as imaginative as possible, tying in the 1920s theme: mobsters, glamour, parties, flapper girls, art décor are just some ideas you could incorporate into your design.

You must include on your cover:

- * The title of the show **'Bugsy Malone'**
- * The name of our school **'Shamlehurst Primary School'**
- * And that it is a **'Year 6 Production'**

Make sure your design is colourful and well presented.

Entries need to be given to the office with your £1 entry by Friday 8th June, 2018.

Please draw your design in the box below:

Name: _____

Class: _____

£1 entry fee paid **yes/no**

Internet Safety - Fortnite

We have had some advice from the NSPCC shared with us about the game Fortnite. It does seem that some of our children play this game. The NSPCC claims "That the text chat function on the game allows anyone to talk to kids. Fortnite automatically lets users speak to other gamers using built in voice and text chat and this claims the NSPCC, allows children to be contacted by anyone else playing the game. Obviously this could pose a huge risk to children." They highlight the need for parents to have regular conversations with their children about the games they are playing and how safe they are online.

On Thursday 17th May, Georgia Kelly, Jack Oakley and Jasmine Pearce took part in the annual cluster Gymnastic Competition at Botley School.

They each performed a body management floor routine and a vault sequence.

Mrs Smith was overwhelmed by each child's individual performance in each discipline with Georgia placing overall 8th, Jasmine 12th & Jack 13th out of 27 children from 7 different schools. Skill, strength and determination were shown by all 3 children so a massive well done to them and a big thank you for their parents (and grandparents) for coming to watch and support the team!
