A message from

Mrs Jones

Well - that was July! A hugely busy end to the term - but a hugely fabulous one!

We would all like to thank you for your support for Emma's Secret Garden. As mentioned in the last newsletter, classes were given a budget of just £15 and then challenged to turn that into as much money as they could to go towards Emma's garden. Classes could pool their resources - and many did. To date we have raised - £2200 profit! So thank you. The classes that made the most money are 3KS, 3JH and 3EA! These buddy entrepreneurs seized the opportunity to start early in their campaign – setting up their sweet and ice-pop business during sports day. Their publicity campaign and relentless focus on profit inspired children to write to local businesses and attend personally, seeking auction prizes that were completed when Southampton Football Club donated a signed football. The Year 2 raffle was inspired by Luke in Turtles who spent a weekend collecting raffle prizes and selling tickets to neighbours and friends – this quickly grew until the whole year group were working hard securing prizes as well as making their special jars. Dragonfly class made a staggering £77 - busking, drumming, gymnastics and free-styling! Bee's class actually had a 'factory' production line going at one point whilst making their pegs and fridge magnets. Be sure to take your stone from the Year 2 stall away with you on holiday and then add its picture to their Facebook page – #shamblehursttreasures! It would be amazing to see how many places around the world that Shamblehurst can touch! The Year 6 entrepreneurs offered a variety of activities, including busking, penalty shoot-out and a nail bar. The tea light wig-wags and dream catchers were also fab! Year 5 sold sweets they made themselves - which sold out on day one! They also made great book marks that you could write on! Year 4 had a selection of stock - including plants that they had grown from seeds as well as lovely hanging ornaments that are just beautiful! Their hook a duck and bean bag game was also very successful! You should have already received your photos from the Caterpillar's class photo booth - as you can see we have received ours!!!

We were nominated for 3 National awards in Rock Challenge - Stage Crew, Entertainment and Visual Enhancement. This is a brilliant achievement considering this was our very first year of entering.

We have sent home some optional homework over the summer – hopefully that is fun but keeps the children learning and trying new things. It would be great if the children could send us a postcard during the summer, either from their holiday or telling us about what they have been up to over the six weeks.

We wish all our leavers, young and old, the very best in the next stage of their journeys, we will miss you all.

Lastly, on behalf of all the staff at Shamblehurst, thank you for the lovely gifts we have all received, we are very grateful. We wish you a safe and relaxing holiday and look forward to welcoming you back in September.

Mrs Jones

Sports Days

We would like to say a huge thank you to everyone who came along to support the children during the sports days – what fantastic weather we had!

Attendance Matters

We are aiming for our whole school attendance to be at 97% - currently it is 96.7%. It is so important that your child regularly attends - the information below is from the Hampshire attendance website and gives a really clear message as to why attendance matters.

As a parent/carer you want the best for your children. Having a good education is an important factor in opening up more opportunities in adult life. Did you know that:

- a child who is absent a day of school per week misses an equivalent of two years of their school life
- 90% of young people with absence rates below 85% fail to achieve five or more good grades of GCSE and around one third achieve no GCSEs at all
- poor examination results limit young people's options and poor attendance suggests to colleges and employers that these students are unreliable
- poor school attendance is also closely associated with crime a quarter of school age offenders have truanted repeatedly
- at least 1 million children take at least one half day off a year without permission
- 7.5 million school days are missed each year through unauthorised absence.

GCSEs may seem a long way off for you and your child but all absence at any stage leads to gaps in your child's learning. This in turn can:

- mean that they fall behind in work
- affect their motivation
- affect their enjoyment of learning
- lead to poor behaviour
- affect their desire to attend school regularly
- affect their confidence in school
- mean they miss out on the social life of school and extra-curricular opportunities and experiences
- affect their ability to have or keep friendships.

Governors

As an exciting conclusion to our 'Plants' topic, Year 1 was able to observe and draw delicious fruits and vegetables. After that, we tasted each food, recording the taste and texture. This rich learning experience was made possible thanks to Lillie Leon's mum who donated a box, full to the brim of different fruits and vegetables.

A big thank you to the JRSO's: Ben Goddard, Micha Thompson and Eva Lakey for great promoting of road safety and good teamwork around the school.

Mrs Millard

A huge thank you to all of the Year 5 Buddies this year! They have shown continual commitment, reliability and are great role models to our school.

We are looking forward to working with the new Year 5 Buddies, to encourage and support good play around the school.

Buddies Rock!

Shamblehurst's Parents,
Learners And Teachers

Who are we? We are like you, parents or carers with children in Shamblehurst Primary School (or about to join us). A few of us are full time working parents, some are part time or home workers (no mean feat we know!).

Why does SPLAT exist?

With the increased government cuts in the education budget, schools rely more and more on fundraising. So to keep Shamblehurst an amazing school, they need financial help. This is where we come in.

How do we raise money & what for?

We organise the school discos, Christmas & other fairs, Mothers and Fathers' day presents... to name a few.

In the past few years, the previous and current fundraising teams have funded, either fully or partially: Rock challenge 2018, Numicon maths system, books, Sports' day medals, loads, Lego therapy, gardening and role play equipment, Yr6 leavers' treat, Picnic tables, Year R playground, Emma's secret garden...

We need your help? We need a few more people to be part of the core team (help us plan events) but that is not all... We need volunteers to allow us run most events (run game or food stalls, monitor children at disco, etc) and you can help as much or as little as you want, honest. You do NOT have to commit to helping out for each event either, you can help behind the scene for specific events or even to get raffle prize. Remember that without your continued support, we have to scale down the number of events we do, therefore reducing the money the school gets.

Drop us a note in the FOSSA box (we will rebrand it soon), send us a message via our SPLAT Facebook page (don't forget to join the group too) or email us at SPLAT2018@hotmail.com

We look forward to hearing from you.

SPLAT fundraising events

We hope that the planned **SPLAT** events in the school's "**Date for your Diary**" is an exciting taster of what's coming up. We are also looking at doing a **quiz**, cake sales by children and more, but we **need more volunteers** to help us organise these events. Remember that your children benefit directly from the **money we raise**, so even helping us for just one event is fine, no long term commitment is needed, unless you want to.

On another similar note: we **do** need someone to look after our **SPLAT accounts**. Can you help?

David Lloyd
CLUBS

At David Lloyd Clubs, we've got lots of different ways to keep kids of all ages active, busy, healthy and happy.

KIDS ACTIVITIES

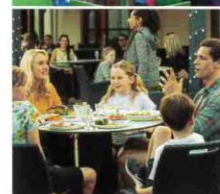

Our kids programme has a huge range of activities that children adore, including sports, games, arts and crafts – all carefully timed to match our group classes and make your life easier. What's more, our crèche has fully qualified staff who just love caring for tots and toddlers, so whether your kids are 11 weeks or 11 years old, we'll get them moving, playing, learning and laughing, all at once.

SCHOOL HOLIDAY CLUB

If you want to keep your kids busy and happy during those long school holidays, look no further. Our school holiday clubs give kids aged 5-13 a magical mixture of individual and team sports and games, arts and crafts – and a lot of fun. Once you've left your kids with us each morning, they'll be in great hands running around, learning new sports and skills, making new friends and having loads of healthy fun!

SWIM & TENNIS COACHING

Our tennis and swimming programmes teach kids a new sport in a fun and friendly environment. Fully endorsed by the Lawn Tennis Association and the Amateur Swimming Association, they use expert coaches who start with the basics before helping your kids improve their skills so they'll keep on progressing – and enjoying themselves, too.

Experience all this and more at David Lloyd Clubs
