During January we will be embarking on a whole school enquiry that has a geography focus and is underpinned by our Core Skills – these are:

Active Learners	Basic Skills	Creative Learners
<ul style="list-style-type: none"> • Seek out and enjoy challenges • Collaborate with others • To show commitment and perseverance • To assess themselves and others 	<ul style="list-style-type: none"> • To speak clearly and convey ideas • To read and communicate in writing efficiently and effectively • To calculate efficiently and apply skills to solve problems • To use new technologies confidently, purposefully and safely 	<ul style="list-style-type: none"> • To ask questions to extend their thinking • To generate ideas and explore possibilities • To overcome barriers by trying out alternatives or new solutions • To connect ideas and experiences in inventive ways

The themed skills that we would like our children to explore are:

To recognise that their impact on their environment and community.

To show a commitment to justice.

To recognise their roles as global citizens.

To communicate their learning in a variety of ways.

To show empathy.

All learning should have authentic outcomes and that we plan to share locally, nationally and globally! Watch this space!!

We are exploring curriculum models as part of our school improvement focus of developing a curriculum that 'captures pupils' interest and opens up a world of possibilities.'
