

YEAR 5 PLEDGE AGAINST PLASTIC LUNCHES!

Can you be the
change?

CAN YOU
HELP?

How does this
make you feel?

- This pledge we are trying to commit to is about reducing the amount of plastic that is being used around our school dinner hall!
- And if you help we can make our oceans a way better place!!

- WE ARE TRYING TO INFLUENCE OUR SCHOOL TO BOOT OUT A LOT OF THE PLASTIC WE ARE USING IN OUR LUNCH BOXES AT THE MOMENT
