

# YEAR 5 PLASTIC PLEDGE. CAN YOU HELP US CHANGE?

Help us change our  
school.

▶ Year 5 have entered a competition called the Premier League Primary Stars and we need your help to accomplish our pledge. We have done this pledge to spread the words around our school and help save our innocent marine life.

- ▶ This pledge is all about using less plastic zip lock bags and cling film in our lunch boxes. Our goal is to reach a non plastic school environment.

**We need you to help by using less plastic in your lunch boxes.**

You will find us in the dinner hall collecting all your plastic. We will be taking pictures at the start of the project and after, we hope to find that our plastic usage has been reduced.

**Before**

**After**

- ▶ **Further information about our pledge will be available on our website and in our newsletter. Please share this information with your family and friends.**
