# A Message From Mrs Jones

What an amazing and brilliant end of the school year (if slightly hectic!). I couldn't be more proud of our children who have produced some fabulous outcomes over this academic year.

We will be very sad to see our Year 6 children leave us on Friday. They have worked so hard this year and should be extremely proud of themselves. The art work they have produced in the entrance to our school will be exhibited next week in their gallery and it is of exceptionally high quality. I cannot wait to the 'The Wonderful Wizard of Oz!' next week - it has sounded amazing. We are proud of their SATS results, but they are just a small part of their achievements.

Thank you to our Year 5 parents who attended the Madame Tussauds - Pirate Exhibition. I found this performance breath taking - just goose bumpy!

I am really looking forward to seeing Year 4's outcome on Monday at 3:00pm.

Our BBC 10 Pieces enquiry was magical and it was great to see such creative outcomes.

Next week is Enterprise Week, with year groups competing to generate the most profit from their 'loans'. This profit will go back into the curriculum budget to ensure we can continue to offer enriched learning experiences to our children.

Thank you for your support for Shamblehurst and I wish you all a wonderful summer and look forward to seeing you in September.

Very best wishes,

*Mrs Jones*

# Staff News

Sadly, at the end of term, we say goodbye to Mr Anderson and Mrs Phippin, who are both going on to teach in other Hampshire schools. We wish the all the best for the future.

Mr Anderson was instrumental in raising money for our allotments, which will be ready for planting in the spring next year.

Mrs Phippin has been a great team member in Year 4 and a fabulous conductor of our Junk Samba Band during our One World Enquiry.

Mrs Lyn Kelly will also be leaving next week. She has supported many children during her time at Shamblehurst and we wish her well in her new job!

We welcome Mrs Lisa Wright to Year 1, Mrs Emma Smile to Year 2 and Miss Rosie Cassar to Year 4.

We also have Miss Helen Marland and Ms Georgia Smith starting as LSA's in September.

## Summer Learning

Each child will be issued with a copy of a book to read over the summer, chosen by their teacher. The idea is that you can enjoy this book with your child over the summer holidays before returning in September. The children will be using this book when they return.

For our summer learning this year, we would love the children to respond to their class book in a creative way - poster, model, alternative version or a review!

Please can we have our books back in September!

## Enterprise Week

Parents are invited on to the school playground on Monday 15th July at 3:15pm to visit children's stalls for purchasing.

The school gates will open at 3:00pm on Tuesday 16th, Wednesday 17th and Thursday 18th July for parents to visit children's stalls for purchasing.

We look forward to seeing you!

Thank you to everyone who came along to our Sports Afternoons  
- we hope that you enjoyed watching the races!

## Year 1 - Hilliers Trip

On Friday 24th May, Year 1 went on a very exciting trip to the Sir Harold Hilliers Gardens. We learnt about plants and animal lifecycles. We enjoyed many exciting activities such as pond dipping and making nature curtains.

# Family Support Worker Update

I am delighted to let you know that we will be running another Family Links Programme for parents/carers again next term. I will be working alongside Sam from Barnardos.

The sessions will run on a Tuesday morning between 9:30am and 11:30am with the first session starting on Tuesday 17th September 2019 and finishing on Tuesday 3rd December 2019.

If you would like to join, please contact me. To find out more information, or if you have any questions, please do not hesitate to contact me on the school number:

# Shamblehurst Summer Cookbook.

Thank you to everyone who entered our Shamblehurst Summer Cookbook front cover competition. We received some fabulous designs. We would like to congratulate our winner Livia Dyl in Wolf Class! Well Done!

We will be donating all of our Lost Property to charity before the end of term - please ensure that you check for any lost items.

Please ensure that all clothing is clearly labelled when children return in September!

We are proud to announce that

Shamblehurst has been awarded a bronze award from Eastleigh Borough Council, as their incentive for sustainable travel and road safety to and from school.

We try to promote road safety regularly and so it has been recognised...

We are working towards our silver award in the next school year

From The JRSO Team

We have received a number of complaints regarding parking around the school area. Please ensure that you do not block resident's driveways and park across pathways.

Please use our Park and Stride, which are held at B&Q car park and at Hedge End Village car park (behind the old Budgens).

Thank you for cooperation.

# Reading Diaries

Following our Reading Diary survey:

51% of parents would like to see the return of the diaries in September.

Therefore, we have decided to continue as follows:

1. Year R and KS1 will still receive Reading Diaries. This will need to be used by parents and teachers in school to record the children's reading.
2. KS2 will be optional. If you would like to have a diary, please ask the office or speak to your class teacher.

Thank you for your ongoing support.

## Wildern School Car Park

We have been contacted by Wildern school that an increasing number of parents have been using their car park to drop off and collect children.

The top area can only be used from after 3:15pm.  
Please do not use the main part of the car park.

Thank you for your understanding.

## CLUBS!

With the exception of JAMZ, clubs will not begin until the week beginning Monday 23rd September 2019.

More information regarding clubs will be sent out during the first full week back in September.

Friday 19th July 2019 - Non-School  
Uniform Day  
£1 donation please

# Healthy Lunchboxes

Shamblehurst promotes healthy eating. A balanced, healthy, nutritious diet is important for the development of a child's physical state, as well as for their intellectual abilities.

Please note the following recommended guidelines set out by the British Nutrition Foundation.

A child's lunch should include only the following:

- A portion of starchy food, eg. wholegrain bap/bread, pitta bread, plain crackers, pasta or rice salad
- Fresh fruit and vegetables, eg. apple/orange/banana, cherry tomatoes, carrot sticks, mini fruit chunks, etc
- A portion of milk or dairy food, eg. cheese, plain/fruit yoghurt, etc
- Small portion of lean meat, fish or alternative, eg. two slices of ham, chicken, beef Quorn, cheese, tuna, egg or hummus, etc
- A drink - fruit juice (not fizzy), water (not flavoured), milk (not flavoured)

## Water Bottles

We would like to remind parents to send their child to school with a named water bottle.

We have a large number of children who request a plastic cup each day, so that they can have a drink in class.

These are to contain water only. Flavoured still clear water is also permitted.

# Internet Safety

From September, we will be sending out a monthly newsletter with advice, guidance and interesting facts about internet safety. These are designed to keep children and parents up to date and to raise the profile of using the internet responsibly. Attached with this newsletter is a great document all about how to use parental control settings. They cover a range of consoles, devices and internet providers, and are designed to protect children from inappropriate content they may come across while using devices. Additionally, there is a helpful list of websites at the bottom for further advice.

KS2 had a visit from Google for an interactive assembly. They came to talk to us about how we could Be Internet Legends by staying safe on line. They took us through their 5 point pledge:

- Be Sharp - think before you share
- Be Alert - check that it is for real
- Be Secure - protect your stuff
- Be Kind - respect each other
- Be Brave - when in doubt, discuss

They taught us all about this by showing us the 5 different kingdoms of Interland. They also gave some great tips and advice. For example, did you know to make a really secure password you need upper and lower case symbols, numbers and symbols?

By searching for “Be Internet Legends” or going to this link [https://beinternetlegends.withgoogle.com/en\\_uk/interland](https://beinternetlegends.withgoogle.com/en_uk/interland) you will be able to access all their advice and complete missions in their online game all about internet safety.

# School Dinners

From September 2019, the price of school dinners will be increasing to £2.40 per meal for children in Year 3 - Year 6. Children in Year R - Year 2 will still receive Universal Free School Meals.

We would like to remind you that school dinners must be paid for on the day of ordering, or in advance. Payments can be made either online, or via the office by cash or cheque (payable to HCC). There should be no outstanding balance on your child's account. If an outstanding balance keeps occurring, these can be referred on to Hampshire County Council.

If you think that you may be entitled to Free School Meals, you can check whether you are eligible here:

## SCOPAY, A MORE CONVENIENT WAY TO PAY

SCOPAY allows parents, guardians, or carers to make payments by credit or debit card for all school purchases (including school meals, trips, uniforms and school clubs)

If you have not yet registered let the office know and an access code will be issued to you.

Then visit [SCOPAY.com](https://www.scopay.com) or download the SCOPAY app and pay anytime, anywhere.

Pay for their lunch, on your lunch!

# Buddies!

A big thank you to all of our Year 5 Buddies this year, for all their hard work and enthusiasm, to create a safer and happier play time for our children. They have been wonderful role models to the school and we hope their skills will continue to shine.

We also welcome our new Year 5 Buddies in September and congratulate them on their new role!

ALL TOGETHER FOR ROAD SAFETY

A big thank you to Eva Lakey, our JR SO in Year 6 for all her hard work and advice in road safety around school!

We would like to welcome our new JR SO Daisy Burden-Veal, with her Deputy Holly Bishop to continue the role with our new Year 6 team in September.

Happy Summer! Mrs Millard

## Winter Road Safety Campaign

Would you like the chance to:

- Name a gritter which will be used on Hampshire's roads?
- Have a Hampshire Highways gritter visit your school?

As one of our Junior Road Safety Officer schools, this is your chance to be part of our winter road safety campaign. Hampshire Highways needs to name 30 gritters and we need your help to name them!

Can you come up with a catchy name for a gritter lorry?

See some examples below:

- Luke Snow Walker
- Gritty Come Dancing
- Gritty Gritty Bang Bang
- Mr Silppy
- Spread Sheeran
- The Mad Gritter's Tea Party
- The Grittest Showman

As well as naming a gritter, we also need your help with keeping everyone safe on Hampshire's roads during the winter. Would you like your artwork shared in Hampshire to help people be prepared for driving in icy conditions? To help us, we need you to design a poster, using the gritter template shared with your school, focusing on some of the messages below:

### General winter driving tips:

- Clean your window screen inside and out.
- Clean and replace damaged washer blades.
- Clean lights and check all are working
- Check your car battery
- Check levels of washer fluid and anti freeze.
- Check tyre depths.

### Tip for driving in snow and ice:

- Listen to weather reports
- Carry vital winter equipment such as spare clothing and suitable footwear, spare food and drink, a torch, a shovel and a blanket.
- Defrost the car completely before driving off.
- If possible - don't drive!

### Closing date:

Friday 25th October 2019

Name a gritter and include some winter road safety messages in your poster

Hard copies of the competition were sent home with all children on Friday. There are spares in the office.

BBC 10 Pieces whole school inquiry - children across the school have been listening to various pieces of classical music and responding through art. We were fortunate to have had experts from Wildern lead a range of workshops for every year group. Children have been learning to respond through music or dance workshops. Year 6 are currently involved in a graphic design workshop. Year 2 and Year 4 have participated in a textiles workshop, involving weaving and fabric painting. Rosie Scott Bennet (leader of the sessions) will collate every child's piece of work to make one huge collage, that we will receive in September. This will be a wonderful collaborative piece that we can display in school for all to see.

We hope that you enjoyed seeing our outcomes last week!

We would like to say a huge well done to TJ, who completed running 5K in the Race for Life in 31 minutes and 30 seconds, on Sunday 23rd June 2019!

Year 2 - Titanic Day - Friday 5th July 2019
