

Shamblehurst Primary School 2018 - 2019 Sport's Premium Spend and Impact

Key achievements to date:	Areas for further improvement:
<p>This year, we have continued to offer our children a variety of sporting extra-curricular opportunities. Sporting and well-being clubs have included, Saints Football, Year 5 and Year 6 football, Girls football, Running Club, Rock Challenge, Jamz, Netball, Gymnastics as well as others. Clubs are very well attended with the first 5 places on all clubs allocated to disadvantaged children.</p> <p>Staff have received expert training on a number of areas within the PE Curriculum. We have 5 members of staff qualified to teach swimming across the school.</p> <p>We have also trained children to be Sport's Leaders. Some of our previous Sport's Leaders returned to support Shamblehurst at Sports Day thus showing the legacy of the previous year's spend.</p> <p>We have invested in new equipment so that teachers can teach the National Curriculum to a high standard.</p> <p>We continue to send children in Year 4 - Year 6 on residential, all of which require a high level of outdoor learning. In particular, the Calshot trip for Year 6 enables children to take part in a variety of sports, including cycling, skiing and rock climbing. The school subsidises these trips for some pupils out of other sources and not from Sport's Premium. However, all children have access to a high quality sporting week that encourages children to push themselves, develop new skills and challenge themselves physically and emotionally.</p>	<p>We have not entered as many inter-school competitions as we have no overall co-ordinator, since our last member of staff left. This year, we hope to appoint a member of staff who is responsible for overseeing sporting commitments and competitions in our school.</p> <p>13% of our current Year 6 are obese and the school hopes to address this through curricular provision and education, as well as targeting children to certain clubs. We also plan to run a healthy eating cooking club geared at educating children in making healthy snacks and making positive choices in terms of their diet.</p> <p>Evaluate the impact of the Daily Mile and offer it to year groups Year 2 – Year 6 at a revised time. Track the progress of children who perhaps appear unfit or are overweight in a sensitive manner so as to evaluate the impact of this initiative.</p> <p>To continue to develop the range of experiences and sports that children in our school can access.</p>

Swimming 2018 - 2019

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	86%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	83%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	86%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No This was due to the inability to secure anymore pool sessions

Sports Premium - September 2018 - July 2019

Academic Year: 2018/19		Total fund allocated: £20,000 Total Spend £19887		Date Updated:31/7/2019	
Key indicator 1: to provide staff and children with the appropriate resources, of high quality, so they can teach and access their chosen sport appropriately.					Percentage of total allocation: 36%
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Ensure PE resources are fit for purpose, including the resources in EYFS for physical development. Hire of Wildern Pool	Audit resources – address and gaps in resources. Ensure resources area safe and age appropriate.	£2729.40 £4401	Children are able to risk take in Year R and have lots of opportunities to develop their physical skills. Children can take part in a variety of sports because they have the correct resources – this includes dance.	PE Resources to be audited in September to ensure they are fit for purpose and that we have sufficient equipment to meet the needs of the national Curriculum and beyond. PE co-ordinator to audit resources	
Key indicator 2: Encourage pupils to take on leadership or volunteer roles that support sport and physical activities.					Percentage of total allocation: %
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Train Year Six children to be Sports Leaders so they can then support sporting events, such as Sports Day.	Planet Sport to deliver Sports Leaders training to current cohorts.	Inc in Planet Sport	Children took part in 10 week programme in the Autumn term. All completed the training. Children given the opportunity to support at Sports Day for KS1. Previously trained children from secondary school supported KS2 Sports Day.	Look for providers should funding for next year allow for such training.	

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				48%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To develop the confidence, knowledge and skills of staff in teaching dance. To fund professional training and development of staff in delivering high quality swimming and water safety lessons.	Six staff, including LSAs to work alongside professional dance to plan and choreograph our Rock Challenge entry. 90 children across Key Stage 2 also work with dancer. Autumn term, staff, including NQTs will have bespoke coaching on the teaching of PE delivered by Planet Sport. 5 members of staff trained in delivering high quality swimming and water safety.	£3150 £5962 inc (Sports Leaders) £490 3 x staff trained swimming pool hire (Years 3,4 and 5)	Shambehurst won 13 awards at Rock Challenge. Dance was of a very high calibre. Children were enthused and proud of their performance. Many children eager to take part next year. Staff have reported greater confidence in the teaching of PE. Expertise across Key Stage 2 now so that the same teachers are not being pulled out to deliver swimming – thus impacting on their own classes.	Staff to lead Rock Challenge and dance lessons independently next year building on the expertise they have developed this year. Staff will now embed this training. All Year 5 staff trained in teaching swimming. One Year 4 staff member.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				12%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To offer children a variety of sports within school and on an extra-curricular level, delivered by a variety of experts and staff.	Staff encouraged to run clubs over the year that enable children to participate competitively and for pleasure. To continue to introduce new sports so that children have plentiful opportunities to take part. Offer the first five places of all	Non-contact time School covers cost of hall hire so that children can access club at a reduced rate. School has	Children have had the opportunity to take part in a wide variety of clubs across the year including: Football for all year groups, netball, Rock Challenge (dance), Jamz (dance), gymnastics, tennis, outdoor education and orienteering, hockey and dodgeball. Clubs are well attended and	Continue to encourage staff to offer provision, with awareness to their workload and wellbeing, whilst offering children free clubs. Continue to offsite hire charges so that clubs can be offered at a cheaper rate to children.

	clubs to PP/Disadvantaged children. Run holiday sports club – football. Years 2 and 3 are taking part in the daily mile.	covered cost of hire of field so that children can have access at a cheaper rate. £1255 Saints Football £1100 Clubs	mostly full. Holiday club May 2019 and July 2019 Mixed evidence – where the daily mile was run according to guidelines children were making progress in terms of their fitness levels. In some year groups this activity was taking up too much time and thus impacting on the provision of core subjects.	Continue to buy in external providers so that children can access a range of sports and activities. To continue to offer the daily mile but at a different time of the day – 2.40-3pm.
Key indicator 5: Increased participation in competitive sport				Percentage of total allocation: 4%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To enter or run more competitions. To understand that competitive sport is challenging and you can experience highs and lows - meet inspirational Paralympian Aaron Phipps	School to enter or run competitions so that children have an understanding and appreciation for competitive sport. They understand the highs and the lows involved. School to hold and skills based (am) and competitive (pm) based sports day. Aaron Phipps to visit school to work alongside children discussing resilience and perseverance in sport.	Possible supply cover. £800	Children have entered and taken part in a netball tournament. Children have taken part in Rock Challenge – a dance competition. They have won local and national awards. School needs to address this moving forward. Children and staff motivated and inspired by visit. Children still refer to Aaron’s resilience and self-belief. Aaron motivational work with our children is lifelong!	School needs to appoint a PE subject leader who co-ordinates inter-school competitive events. Look to seeing if budget can sustain a TLR3 for position.
