A Message From Mrs Jones

Shamblehurst is an amazing place to be at the moment - I have seen over the last few weeks teaching and learning that is just exceptional and the children have been producing some fantastic work. I actually was reduced to tears after reading some of the Year 5 Letters to Washington - some of which are now on our website and are well worth a listen. Year 4 have also written some breath-taking diary entries based on the book 'When the War Came' and following their meeting with a local charity supporting refugees. They show huge amounts of empathy and sensitivity and are beautifully presented. I have only mentioned two year groups, but there really is an abundance of awe and wonder throughout our school - it gives me goose bumps!

Thank you for your support for World Book Day - there are some fabulous pebbles which you will see later on in the newsletter. I loved looking at the extreme reading pictures too - it is not too late to send yours in!

It is really exciting news about our new PTA! I know there is lots of great ideas already to fundraise for our school and grow our school community.

We have now confirmed with The Governing Body our INSET days for 2020-2021. Hopefully the May dates will enable families to take a longer holiday over May half term, rather than holidays within term time. We continue to monitor attendance every two weeks and will keep in regular contact with families whose children's attendance is below 95%. Please do not hesitate to ask for our support, if you are having difficulties in getting your child/children to school. Currently whole school attendance is 96% - we aspire to be over 97%.

We will continue to update you with any further information regarding Coronavirus - the DFE are sending nearly daily updates.

Very best wishes,

Mrs Jones

School Dinners - Year 3 - Year 6

We would like to remind you that school dinners must be paid for on the day of ordering, or in advance. Payments can be made either online, or via the office by cash or cheque (payable to HCC). There should be no outstanding balance on your child's account. If an outstanding balance keeps occurring, these can be referred on to Hampshire County Council.

E-Safety Safety Update

Please find attached this month's E-Safety newsletter. Included is some more information on TikTok, which is one of the most popular amongst young people at the moment. Although users need to be over the age of 13 to use this app, we know that many of our pupils have access to it therefore the guidance is extremely useful in showing you how to ensure the app is set up as safely as possible for your child.

Thank you to those attended the e safety meeting last week. One of the key messages was the importance of regular open dialogue between parents and children about how they use the internet. In doing so, children will feel happier sharing anything they may come across that bothers them. It will also encourage them to think before they send anything over the internet which may upset somebody else or put them at risk. The handout from this meeting can be found at the school office and has some great links with advice and guidance on how to ensure children can enjoy using technology safely.

Mr Hill

Dear Families,

My name is Toby and I have had Type 1 Diabetes for 2.5 years.

Thank you kindly for giving money during the Christmas Performances.

Some of this will go to a Diabetes Charity, to help research and find a cure. The charity also supports people who have diabetes, so I am very grateful.

Many thanks,
From Toby

Year 4 - Fishbourne Roman Palace

Year 4 enjoyed a fantastic visit to Fishbourne Roman Palace on Wednesday 26th February. It was a day full of discovery! Immediately, we were immersed in Roman life with a film about the history of the palace, and how the mosaic floors were uncovered when a water company began to dig a new trench! We explored the mosaic floors, looking out for patterns created using the tiny stone tiles. It must have taken a lot of time and patience to complete the floors in this intricate way.

In the museum, we tried our hands at weaving and examined objects the Romans would have used in the bathroom, including a tool to scrape dirt from the skin.

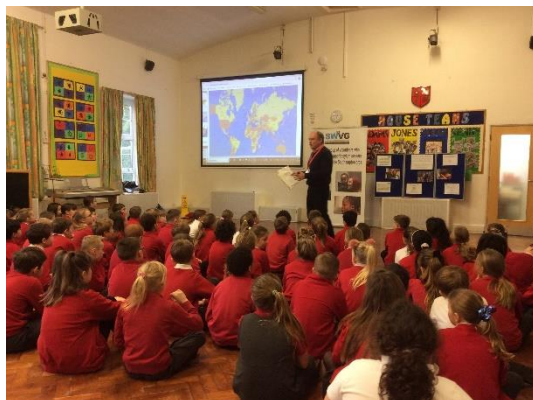

During our workshop, we learnt about how the Romans made light before electricity, and made our own beeswax candles to bring home with us. On the way home, we had lots of very tired children taking a nap on the coach following their exciting day living life in Roman times! We had a fantastic day!

Miss Schofield

This term, Year 4 have been learning about the plight of refugees and asylum seekers using the book *The Day War Came* by Nicola Davies. To support this understanding, a visitor from the Southampton and Winchester Visitors Group (SWVG) who support asylum seekers and refugees, came to talk to the children. We learned so much more about the suffering of these people who find themselves in a new country with nothing at all.

Thank you to Stash for spending his time with us to teach us so much more!

Thank you to everyone who took part in the 'Paint a Rock' - we have received some fabulous designs. Also, thank you to everyone who took time to take and send us pictures of 'Reading in an Unusual Place' - we loved receiving them!

German Lessons - Year 4, Year 5 and Year 6

The German speakers of the month are two children from Bushbaby Class:

Charlie Titchener and Malaika Linza

Both are always hardworking and participate greatly in class discussions and activities.

Well done!

Miss Bruening

On our Australia Day,
Lottie in Year 2 kindly
made cupcakes to put in
our staffroom, to help
raise money for WWF.

Lottie raised £15.05 -
well done and thank you,
the cupcakes were
delicious!

On the 31st of January, the school council conducted a litter pick of the playground. Rubbish was found everywhere. We even found a carrot. Many of these items would have taken hundreds of years to biodegrade. We found some weird stuff. We found a loo roll, a half eaten chocolate bar and a baby's dummy. What was quite upsetting is that we found a cigarette. Can we remind everyone that school is a no smoking zone. On the whole our school was quite tidy and we are happy with it.

We have increasing amounts of unnamed lost property in school. Please ensure all items including footwear are clearly named, this can be with pen or labels. Please check clothes after each wash that this is still visible. We will endeavour to display items weekly after school every Tuesday either in the hall or outside the front. Please come and check this for your child's belongings. Unclaimed items will be recycled on a more regular basis. Thank you for your support.

We have created a PTA letter rack in the school office reception area. Any letters or leaflets from the PTA will be displayed here.

The school is now registered with easyfundraising, so you can raise FREE donations for us when you do your everyday online shopping. All you have to do is find the retailer you want to shop with on the easyfundraising website or App, shop as usual and the retailer will donate to us when you make a purchase - at no extra cost to you! This means you can support the school when you do your grocery shopping, book holidays or days out, order takeaways, buy things for the children, or even when you renew your insurance and energy policies.

It's easy and completely FREE. Just visit our easyfundraising page at:

Reality

They say we have 11 years,
11 years of joy and tears,
But how can we ever erase
The world we have left in fear and disgrace.

Humanity and insanity are like identical twins,
We rage wars where no one ever wins,
Dump plastic in the sea that stays for eternity,
Because this is reality.

Every 5 seconds a starved child dies,
With no one to hear their sobs or cries,
We have all been through tough times
With murders, deaths and ominous crimes,
We are not sure who or where we were meant to be,
Because this is reality.

WE DON'T SHOW ENOUGH REMORSE
FOR THE DISTRESS THAT WE HAVE CAUSED,
GLOBAL WARMING,
GREENHOUSE GAS
ARE JUST A FEW FROM THE MASS,
JUST BECAUSE THE WORLD HAS LOST ITS IDENTITY
DOESN'T MEAN IT'S NOT OUR RESPONSIBILITY,
BECAUSE THIS IS REALITY AND IT NEEDS TO CHANGE.
