

Dear Families,

We will never forget these times. School is strangely quiet. We are very proud to be open and supporting our families who are currently working on the front line in the battle against Covid-19. We will remain open over Easter for critical key worker families.

We are thinking of you all – we have a small welfare team set up who are ringing all our families over time – just to check in with you and make sure everything is going OK with the home learning that has been set.

Staff have been working really hard on Seesaw and there has been such a positive response. As we stated last week, please do not worry if your child has not completed all the tasks set. It is just as important that they are outside, having family time and having opportunities to chill out!

Children who are receiving paper copies of learning will receive new packs after Easter.

The teachers will be sending out some Easter activities on Seesaw/Tapestry– this is purely optional – and hopefully is fun and something the whole family can take part in. This is also attached. Staff will not be setting home learning over the Easter break but will continue on Monday 20th April.

We have had some parents ask when schools will be reopened. We simply cannot give families any updates. We are in daily contact with the Department for Education so will obviously let you know of any changes that might happen to the current situation.

Sending you lots of warm wishes. Keep safe and we will be in contact again soon.

Anna Jones

Headteacher
