

Easter Home Learning Ideas - these are completely optional and everyone in your family can take part! Teachers will not be setting SeeSaw home learning over the Easter break.

- 1. David Hockney has created a Spring Collection – he has drawn these on his IPAD! Can you create your own Spring Collection based on the plants and trees that are ‘springing’ in to life at the moment? You could use any medium you like – we would love to see them – so you could post on to our facebook page or upload them on to your seesaw!**
- 2. Have a sort out of your wardrobe – can you design and add some accessories to an item of clothing for your new Spring look?**

When we are back we will display your designs!

- 3. Help your family to match up all pairs of socks in your home – if there are any odd socks design and make your own puppet based on your favourite person – someone in your family, someone famous, someone you admire – your choice!**

- 4. Have you heard about the man who ran a marathon in his garden?**

Can you run a mile in your garden? Can you measure how far this would be – how many laps of your garden this would be? Can you improve on your time over the Easter break?

5. Write a story. Try and include at least five of the eight things below within your story.

6. We have had some really clear nights – can you spot some constellations?

The Plough

Orion's Belt

Can you spot the Space Station orbiting Earth – check out the NASA website.

Can you keep a moon diary over the next few weeks – how has the shape of the moon changed?

**7. Have you seen the family doing the Les Miserable lockdown?
Have a look on You Tube. I also believe the family were on the BBC Breakfast
programme this week.**

**Following the tradition at Shamblehurst to re-write songs based on our favourite songs
- Take That the Nativity, Abba Happy Christmas and The Spiced up Nativity– it is over
to you! Our challenge is for you to write and perform your own family version of a
song and a theme of your choice.**

**If you think you've got a classic – please post them on our facebook page for us all to
enjoy!**

**Lastly – you could look at the Pobble 365 picture every day and complete some of the
activities and don't forget Times Tables Rock Stars.**

**Most importantly have a fun and happy time with your family. Do as much or as little
from this list. Keep safe xxxx**
