E-Safety Acceptable Use Policy and Agreement

These e-Safety rules help to protect students and the school by describing acceptable and unacceptable computer use.

1. The school owns the computer network and can set these rules for its use which I agree to comply with.
2. I appreciate that ICT includes a wide range of systems, including mobile phones, PDSs, digital cameras; email, social networking and that ICT use may also include personal devices when used for school business.
3. I understand that it is a criminal offence to use a computer or network for a purpose not permitted by the school. I understand that the irresponsible use of the network and internet will result in the loss of networks or internet access, plus the school may investigate additional sanctions. For serious breaches the school may involve the police.
4. I agree that network access must be made via the user's authorised account and password, which must not be given to any other person.
5. I understand that users may not install or run software on the network.
6. I understand that all network and internet use must be appropriate to education.
7. I agree that all copyright and intellectual property rights must be respected.

10. I understand that I must take care not to reveal personal information through email, personal publishing, blogs or messaging.
11. I agree to use school managed blogs, wikis and discussion groups appropriately and politely.

14. I understand that I must be socially responsible with regard to using the internet and other communication technologies, including treating others with respect and reporting instances of online bullying.

The school will monitor the use of the school's computer systems, including access to websites, use of filtering and interception of data generally and of email and the deletion of inappropriate materials where it believes unauthorised use of the school's computer system may be taking place, or the system may be being used for criminal purposes or for storing unauthorised or unlawful text, imagery or sound.
