A Message From Mrs Jones

What a year! I can remember writing last year's final newsletter and just had no idea as to what we still had to come.

I would like to thank the whole Shamblehurst Community for pulling together throughout the past year. It has been a testing and fairly reactive year, but we have made it.

The children have, as always, been amazing throughout and it was just great to have everyone back in March.

Despite the pandemic, awe and wonder continues to radiate through our school and there have been some exceptional outcomes to our enquiries. I hope that we are able to welcome parents back in to school very soon so we can share these with you.

We are having to say goodbye to some Shamblehurst heroes this week. Miss Russell and Miss Morris are both going to further their careers at local schools. Mrs Salkeld and Miss Meir are also leaving to start new adventures and we wish them all the very best. Mrs De Lara, one of our long standing dinner ladies is also leaving at the end of term. Mrs Riley is leaving on the 10th September, so at least it is not quite goodbye until then.

We would like to welcome, Miss Patten, class teacher of Giraffes and Miss Ashcroft, class teacher of Flamingos to our team. We also welcome Miss Bartlett, Mrs Brown, Ms McFarlane and Mrs Lovell to our LSA team for September. Lastly, welcome to not one, but two, parent governors. It will be lovely to work with Vicky Baker and Kelly Reid Smith, who were both successful in the ballot, after a second vacancy came up for a parent governor. We look forward to welcoming you to the team!

Children will be bringing books home this week. If your child does not bring theirs home, we are just keeping them in case we have an OFSTED early next term. They should be returned within a term and we will endeavour to get all Year 6 children their books.

To our Year 6 children, we wish you all the best - you have been amazing and we will miss you all. As Steve Jobs once said, go and 'put a dent in your universe!' To our Year 6 parents we wish you well and thank you for your support.

I wish you all the very best for the summer and hope you manage to spend some really quality time with your families. We look forward to seeing you all on the 6th September.

Very best wishes,
Mrs Jones

Reading Celebrations

Well done to Zara Acteson for achieving her gold reading badge!

White Rose Maths is proud to team up with leading supermarket, Morrisons, to give primary pupils a series of exciting and **FREE** workbooks to use at home. These colourful and engaging workbooks are perfect for revisiting and practising work that children have covered earlier in the year, or to prepare them for the new school year ahead.

Parents and carers can collect the books from 2nd August onwards at any of Morrisons' network of stores nationwide. All you need to do is to call in at the 'Children's Little Library' in your local Morrisons store during your regular shop, and collect your free copies!

Families are welcome to take one free copy per pupil from Y1 to Y6.

The books contain questions on two crucially important topics - (i) place value, and (ii) addition and subtraction. These topics form the first two blocks in the White Rose Maths schemes of learning.

To make sure that the free booklets are shared as fairly as possible, each child can have just one workbook each. So a family with three children can have three booklets in total. Morrisons launched the Little Libraries in May, so your local store should have one. Look out for the green signage shown in the picture!

Thank you to everyone who had given a kind money donation on our two non-uniform days - £625.02 in total was raised! This is a fantastic amount towards school books and projects.

School Dinners

The price of school dinners is £2.50 per meal for children in Year 3 - Year 6. Children in Year R - Year 2 receive Universal Free School Meals.

We would like to remind you that school dinners must be paid for on the day of ordering, or in advance. Payments can be made either online, or via the office by cash or cheque (payable to HCC). There should be no outstanding balance on your child's account. If an outstanding balance keeps occurring, these can be referred on to Hampshire County Council.

If you think that you may be entitled to Free School Meals, you can check whether you are eligible here:
