A Message From Mrs Jones

We have had a fab October in school - it seems to have flown past! The weather is definitely changing and the heating is on!

Well done to all the children who have been out representing our school in the cluster sporting events - they have been brilliant ambassadors for our school!

It has been lovely having all our clubs running again and our intention is to continue to grow the number of clubs we offer over the year.

We had our first Curriculum Impact Day on the 8th - which was National Poetry Day. It was a great day, with many live poetry performances throughout the school. The children wrote poems based on our new tag line Together we can - I include the poem written by Otter class which was shared with Key Stage 2 in our celebration assembly.

Together we can ...
Together we can ...
Be unbeatable, inspire, take risks.
In our eyes there are no limits.
Be unstoppable, try new things, have no fear.
We've got to do what we've got to do.
It takes courage to achieve new heights.

Together we can ...
Together we can ...
Ponder the unthinkable, open our minds, wonder what's next.
Curiosity is the key to thriving.
Never stop wondering, never stop questioning, never stop challenging.
Is curiosity the greatest mystery?
Who would we become without curiosity?

Together we can...
Together we can ...
Recognise our achievements, celebrate our successes,
Feel a sense of accomplishment.
Believe in ourselves and others.
We take pride in things we do.
We are ready to reach new heights

Together we can ...
Together we can ...
Care for each other with kind words, simple gestures and smiling faces.
Respect is free and it makes someone's day.
It's the most precious gift you can give.
It builds happiness and trust. Respect is the key to kindness.
Together we can

I really hope all our families have a relaxing half term. Fingers crossed we get some sunny days and we will see you all back on the 1st November.

Just a reminder of start times for each Key Stage:

Reception - start 8.45am. Doors open 8.35am

Key Stage 1 - start 8.40am. Doors open 8.35am

Key Stage 2 - Start 8.30 am. Doors open 8.25am

Very best wishes,

Mrs Jones

Year 1 are looking for any milk bottle tops, jar lids, corks, yogurt pots and small plastic bottles. Please save these for us - Year 1 will use these for their activities!

Well done to Ryan in Polar Bear Class who has achieved his silver Reading Badge. Well done Ryan - keep up the super reading!

School Dinners - Year 3 - Year 6

We would like to remind you that school dinners must be paid for on the day of ordering, or in advance. Payments can be made either online, or via the office by cash or cheque (payable to HCC).

There should be no outstanding balance on your child's account.

Please ensure that all children bring a coat to school with them during the winter months - please ensure your child's coat is named.

We are hoping to re-introduce coffee mornings to Shamblehurst and would like to gauge how many parents would be interested in attending.

The coffee mornings would be open to everyone and would be an opportunity to meet other parents and share ideas.

We would be grateful if you would answer the following questions:

Year 4 - Spirit of the Wild

A company called 'Spirit of the Wild' came into see Year 4 and they brought lots of animals in for them to see. All of the children were very brave and were allowed to touch the animals if we wanted to. They learnt about the animal's habitats and how each animal adapts to survive. The animals they were lucky enough to see and hold were an owl, a golden eagle, a parrot, a tarantula, a millipede, a skunk, a cockroach, a chameleon, a python, a toad and a fruit bat! It certainly was an amazing experience!!

Lottie's Loomies

Lottie has been making and selling loom bands for children in need since the summer holidays. Every day she puts the board outside our house and brings it back in every evening; she has also sold to friends, family and children at her brownies group. She has raised £97 in total so far and has achieved her brownies charity badge.

Well done Lottie!

As you would have seen in our September Newsletter, Brianna was completing the zip wire to raise money for Wessex Cancer Trust. Brianna completed this with her Sister Darcie. The girls raised £300 for Wessex Cancer Trust. Such a great achievement girlies - well done!

Zip Wire Sponsor

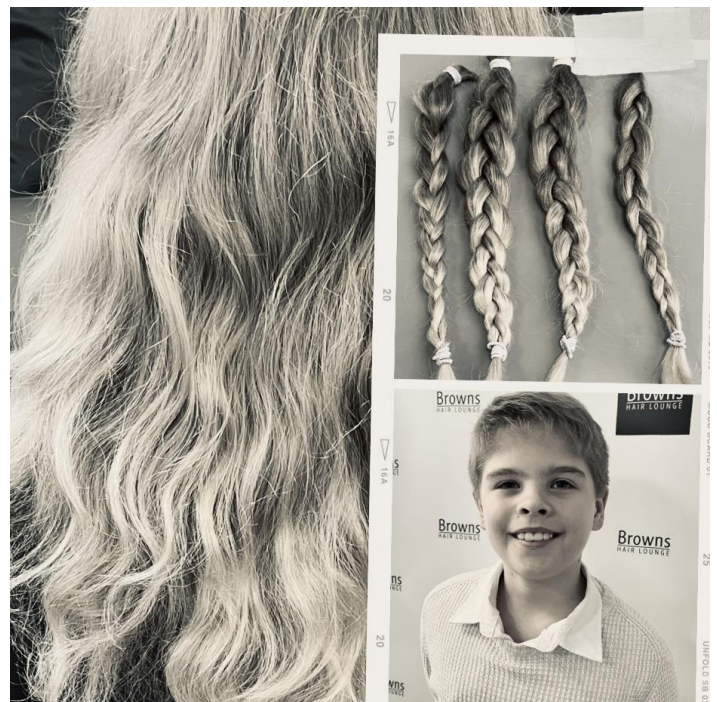

Oliver had his cut on 19th October and donated it to the Little Princess Trust, to be made in to a wig, for children who are very sadly diagnosed with cancer or other hair loss conditions.

If you would like to sponsor Oliver, you can still do so here -

Year R - Farm Visit

On Tuesday 5th October, Year R had Miller's Oak Farm visit them in school
- all of the children had such a great day!
More photos can be found on our school website.

Year 3 - Butser Farm Trip

Year 3 had an exciting trip to Butser Ancient Farm on Monday 4th October 2021. The children took part in a range of activities, from fossil finding to coil bracelets. If you would like to see more photos, they can found on our website.

Swanwick Lakes

On Wednesday 20th October, some children from Year 4 were able to visit Swanwick Lakes. We were offered 15 free school places to do a forest school session and some children were lucky enough to attend. They all had a great time!

WELCOME TO
HEDGE END
CARNIVAL

Hedge End Carnival

HedgeEndCarnival.org.uk

Hello

Anyone who has grown up in Hedge End knows the carnival and I am sure most of you have been to at least one. Most of the local schools have benefited from funds donated by the carnival at some point we have always given money towards new projects or developments. Anything from a small donation towards a new club or bigger donations such as money towards the pool at Wildern School many years ago.

I have recently joined the Carnival Computer because I remember it in the 1990's being a huge, week long event in Hedge Ends Social calendar. I loved the procession and was always very jealous of all the children who got to be involved in it.

As an adult I love being involved in something that not only gives money to lots of local organisations but that also brings the whole community together to celebrate the town we live in and the people we share it with.

We would love you to be involved in the carnival in any way you can. We are looking for procession floats and marches, talented local people to perform, artwork to share online or even just sharing information about the carnival with the children and families of your school.

If you would like to get involved with the amazing Centenary Carnival please get in contact for a chat.

I am really pleased to tell you that the **Family Links Nurturing Programme** is coming back to Shamblehurst in the Summer Term. I will be running it in partnership with Sam from Barnardos. This is a great opportunity for myself and Shamblehurst to do some collaborative work with them.

The Family Links Nurturing Programme is an 11 week course that offers positive and practical advice for nurturing children so they learn how to handle both their feelings and behaviour. It is based on four building blocks:

- Self awareness and self esteem
 - Appropriate expectations
 - Empathy
- Positive behaviour management

These four areas provide the key elements for successful and confident parenting and happy and confident children!

Please contact me if you are interested, or you would like further details, as spaces will be limited. My email address is: sarah.curry@shamblehurst.co.uk or just pop in to the office, or catch me on the playground in the mornings. The sessions will be on a Tuesday morning after Easter starting on 26th April and run though until Tuesday 12th July (not including half term), they will be from 9:30 - 11:30am.

Year 4 - Winchester

Science Centre

On Friday 15th October, Year 4 went on a school trip to the Winchester Science Centre. When we arrived, we were able to experience the planetarium. We all loved this and were amazed to see the planets above our heads!

Our focus whilst there was on sound, which is part of our Science curriculum. We were able to explore the museum ourselves and find out lots of interesting facts. We also took part in a sound workshop and learnt about how sound is made and how it travels.
