### **Updated COVID-19 Risk Assessment**

Dear Parents and Carers,

As you are aware on 21st February 2022, the Prime Minister set out the next phase of the Government's COVID 19 response.

We have updated our COVID-19 guidance and risk assessment, which can be found on our website.

Please note the following important information:

If a child has any of the COVID-19 symptoms, please book/order a PCR test

If a child starts to display symptoms in school, we will call you to collect you child and ask you to book a PCR test

If your child's test result is negative, they may return to school when well and stop isolating

If you child's test is positive, your child should remain at home for up to 10 days from when the symptoms start. If two LFD tests on day 5 and day 6 are negative, isolation can stop on the 6th day.

Remote learning will be provided for any child who tests positive for COVID-19 and it is expected that children complete the work set when well enough to do so.

In the event of a further outbreak at school, further control measures may be implemented.  
Thank you once again for your continued support.

Kindest regards

Anna Jones
