A Message From Mrs Jones

The end of term is upon us and what a term it has been!

We have been working really hard this term to devise a system of monitoring attendance that keeps parents and carers informed of their child's attendance - and I think we are nearly there. Our approach to attendance management is based on prevention, early intervention and targeted support. Our aim is to be transparent in our monitoring for all families. We start monitoring attendance when it falls below the 95% mark, this is usually due to illness. A letter is sent out to alert parents that attendance has hit this threshold. When attendance falls below 90%, children are deemed as persistently absent. At this point, parents would have received previous letters alerting them to our concerns. In some cases, parents would have been asked to provide medical evidence for their children, due to high levels of absence relating to illness. It is clear in our policy we do not authorise any holidays in term time. If you need any support in getting your child to school, please do not hesitate to get in touch. Currently our whole school attendance stands at 95.6% compared to 93.7% nationally - our aim is to get our whole school attendance up to 97% by the end of the school year.

During the first half of next term we have Key Stage 1 and 2 SATS.

Key Stage 2 SATS week starts 9th- 12th May. Year 6 pupils will still be working towards their writing judgement up until the end of June, when County moderation is completed.

Key Stage One SATs start the week beginning the 15th May.

Year One and Two phonic assessments take place in June, as does the Year 4 multiplication check.

We are still awaiting our OFSTED report - so will get this to you as soon as it arrives.

Thank you to all parents who responded to the questionnaire, sent in chocolate supplies or just smiled at us on the gate!

Corridors are looking so much clearer since we moved to book bags, please remember you can pick up a book bag at reception (awaiting delivery). We've noticed some brilliantly accessorised book bags too!

Friends of Shamblehurst continue to be amazing and have recently donated money to fund IPADS to support music provision in school - we are hugely grateful for all their hard work.

We say goodbye to Mrs Curtis and Miss McDougall at the end of this term and wish them both the very best for the future. We welcome Mrs Nicola Smith, who is the new class teacher for Caterpillars.

Lastly, all staff wish our families a peaceful and relaxing Easter break and we look forward to seeing you on Monday 17th April 2023.

Very best wishes,

Mrs Jones

Music!

What a musical March it has been!

In early March, Year 4 went to The Anvil for 'My Voice: Our Song'. They sung with such joy and enthusiasm, especially in 'Sing' and 'Roar'. We were so proud of their sensible behaviour and super singing. Well done Y4!

Then Y2 also took their teddies and singing voices to The Anvil for 'Barnaby Bear: Around the World'. Having learnt lots of songs and actions beforehand, the children joined in fantastically! Staff from our school and from the venue both commented on how completely immersed and mesmerised our Y2 children were.

We are so proud of them all!

Finally, the Singing Club visited the Berry Theatre to perform as part of the very first Wildern Primary Music Festival. This was an utter joy to be involved in! Our singers were sensible, patient, and full of enthusiasm and sang absolutely beautifully! It was a real goose-bump moment to watch them perform on a professional stage. All the children conquered their nerves to sing with sensitivity, clear diction, expression and great fun.

I am so proud of all our Shamblehurst musicians - well done!

Mrs Jackson

Family Links

I am really pleased to tell you that the Family Links Nurturing Programme is coming back to Shamblehurst in the Summer Term. The Family Links Nurturing Programme is an 11 week course that offers positive and practical advice for nurturing children so they learn how to handle both their feelings and behaviour. It is based on four building blocks:

- ☐ Self awareness and self esteem
- ☐ Appropriate expectations
- ☐ Empathy
- ☐ Positive behaviour management

These four areas provide the key elements for successful and confident parenting and happy and confident children!

Please contact me if you are interested, or you would like further details, as spaces will be limited. My email address is: sarah.curry@shamblehurst.co.uk

'Thank you to those of you who responded to the recent Parental Engagement Survey. One of the ideas mentioned was to have information packs available for parents, regarding certain key issues, events or problems parents may be struggling with at home. For example parenting tips, coping with bereavement, separation and anxiety. Some of these resources you will be able to keep, others may need to be returned once you have finished with them.

These new resources will be kept in the school reception area, look out for them over the coming months!
