A Message From

Mrs Jones

We have had a brilliant transition day in school this week. All children seemed relaxed and happy, and were really engaged in their learning. This year we have chosen three picture books as our stimuli –

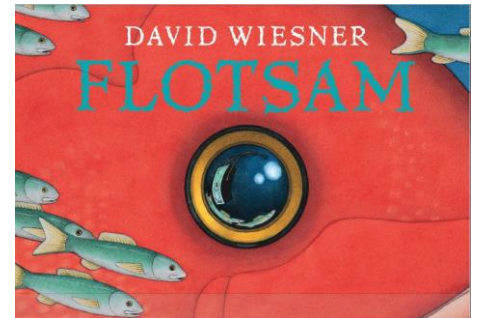

Year 1 and 2 are using

Year 3 and 4 are using

Year 5 and 6 are using

On return in September the children will continue to complete work around these books, hopefully producing some exceptional outcomes. Hopefully, your child came home and told you all about it!!

Reports are being written at the moment and will be with you on Friday 12th July. An optional final parents evening is then available on Wednesday 17th between 3:30 pm and 5:00pm.

As mentioned in previous newsletters, we are saying goodbye to some staff members at the end of the year. Mrs Richards and Miss Bodkin, as well as Miss Smith in Year 1, Mr Walsh in Year 6 and Mrs Smith in Year 3. We would like to thank them all for their commitment to Shamblehurst and wish them the very best in their future roles. We welcome Ms Sophie Bambrick to our Year 3 team.

We will be tightening up on our school uniform policy in the new year. We now offer a black PE hoody, which can be worn on PE days. We have these with our logo, but a plain black hoody is also acceptable. Our uniform for PE is a polo shirt or t shirt, red or white and black shorts, track suit bottoms or leggings. These should be plain. Children should not wear football kits on PE days, nor should they wear designer tracksuits. We are incredibly inclusive and our uniform is very simple, so as to not impact those children with additional sensory needs. Please can we ask for support on this.

We continue to ask that children only bring in their book bags to school. Book bags are available in the office. For our Year 6 leavers, if you have any pre-loved uniform you would like to donate to the school, we would be very grateful.

Homework books have been ordered for Years 2 - Year 6. We would like to ask for a voluntary contribution of £5 per child for the two books. The school, has offset the rest of the cost. We greatly appreciate your support on paying for these books and ensuring your child completes the set homework on a weekly basis. Payments can be made online via SCO Pay.

Thank you all for your support for our school and we look forward for the final three weeks in school.

Friday 12th July 2024 will be a Non-Uniform Day to support the Hedge End Food Bank - donation of food.

Friday 19th July 2024 will be a Non-Uniform Day to support Maggie's Cancer Charity - suggested £1 donation.

Just a reminder that we break up on Friday 19th July 2024 at normal times.

We still have places left for our Field Ferrets Summer club, starting Monday 22nd July 2024 to Friday 26th July 2024, should anyone still require them.

Very best wishes,

Mrs Jones

Year 1 - Raptor X-Otics

Year 1 enjoyed a visit from Dave Sharpe - Raptor X-Otics. He bought different animals for us to observe, touch and hold to help us further our learning on our enquiry "Should Zoos Exist?" he bought animals from different animal classification groups including an owl, a python, a hedgehog, a giant African land snail and a crested gecko. He talked to us about responsibility and sustainability and how zoos can help to protect species that are endangered or close to extinction.

All the children were excited and curious, asking some fantastic questions. After the visit, Year 1 did some fantastic non-fiction, factual writing about what they had learned.

Year 1 Team

Last Tuesday in Year 1 we went to Marwell Zoo to support our enquiry question 'Should Zoos Exist?'

We had a fantastic day. It really helped us to embed our learning around animal classification groups and also to think more deeply about our concepts - care, responsibility, sustainability and belonging. All the children were amazing. We clocked up nearly 10 K whilst walking!

We got to see so many of the amazing animals up close. Well done Year 1 for being amazing and representing our school so well out in the community.

Year 4 - Fun Day
