

Sports and PE premium 23-24

At Shamblehurst Primary School we use the additional funding provided through the PE and Sports Premium to meet the Department of Education's stated expectation that we will make additional and sustainable improvements to the quality of PE and sport that we offer.

We will ensure that we continue our outstanding provision of PE and sport and further build upon our extremely strong infrastructure and provision to ensure that the children receive a wealth of sporting opportunities and a high quality Physical Education.

We ensure that we measure our achievement against the five key indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

We were allocated £19,900 with no carry forward from previous years.

At Shamblehurst Primary School we have spent our Sports Premium predominantly on our Outdoor Learning provision. The focus being on supporting children's physical health and mental health. We provide three days of Forest School, including one outdoor learning club.

We have tried to ensure as many vulnerable children, including Looked After and Young Carers, children with SEMH needs and those children who are learning English for the first time are supported through this provision.

Children who have taken part in Outdoor learning sessions within school day

	Young Carers	EAL	Children's services	Looked After	EHCP	Disadvantaged	SEND
	8	7	3	3	11	23	22

We also used some funding to update our CPD, ensuring all new staff were trained in Real PE. We continue to pay a subscription to Real PE.

£897.36 was used to fund equipment and resources.

We spent £2523.50 on funding extra-curricular clubs for all children to access.

	Jamz	Girls football	Boys football	Cricket Club	Saints (football)	Forest Craft	Outdoor Club	Yoga	Karate	Multi-Sports
Autumn	16	31	16	18	23	10	20	8	28	11
Spring	16	32	16	15	19	10	17		25	
Summer	18	32	16	18	23	10	18		25	

We pride ourselves on already offering boys and girls an equitable sporting offer. We also try and secure as many extra-curricular clubs as possible. We use Sports Premium and Pupil Premium to

fund access to these clubs for our disadvantaged children, as well as pay for externally run clubs, or offsite rental prices.

All children take part in two PE sessions every week, unless their whole class has an outdoor learning offer.

We use staff effectively to ensure break and lunch times are engaging and offer opportunities for children to exercise and enjoy their play.

The Nest, our before and after school provision, encourages active play and provides lots of opportunities for active play and sporting games – table tennis, football, basketball and swing ball.

Year 3, 5 and 6 took part in swimming lessons this year. Our end of year data indicates that 56% of children in Year 6 could swim competently, confidently, and proficiently, over a distance of 25 metres. 71% of pupils in Year 6 could use a range of strokes effectively, with 56% able to perform safe self-rescue in different water-based situations. These figures would have been lower, if we had not targeted spending last year on equipping some of our non-swimmers with additional skills.

Staff who taught swimming all renewed their qualifications this year.
