Thursday 26th June 2025 - Transition Day

A Message From

Mrs Jones

Thank you so much for all your kind donations this morning for the food bank - we are really overwhelmed by your generosity at such short notice, and we know this will make a real difference to some vulnerable local people.

Well done Year 6 - we saw nothing but exemplary behaviour last week during SATS. We are super proud of every child in this year group and their individual journeys in our school. I can't believe they are entering their last half term here at Shamblehurst.

There is still lots to look forward to before we break up, Stubbington in Year 5, Sports Days and the Shamblehurst Summer fayre on Monday 21st July to name a few.

In preparation for our summer fayre we will be holding two non-uniform days on the Friday 6th June - for a donation of chocolate and Friday 20th June for a donation of smellies or wine.

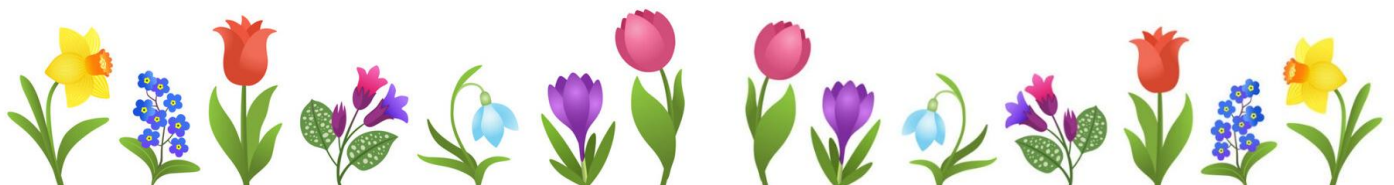

Sadly, we will be saying goodbye to some Shamblehurst staff at the end of the summer.

Miss Yazmin Patten, Mrs Caroline Trinidad and Mr Kyle Lewis will be leaving us for some new adventures at the end of the academic year - we wish them all the very best for the future and thank them for their hard work and commitment to Shamblehurst. Ms Gollogly will be leaving to have her baby in June, and we welcome back Mrs Hopson, who is returning following the birth of her daughter last year.

Warm wishes,

Mrs Jones

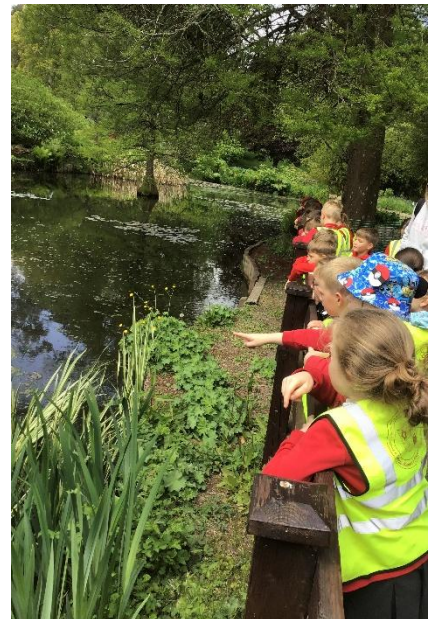

Headteacher

Year 2 - Hillier Gardens

On Thursday 8th May, Year 2 went on a trip to Sir Harold Hillier Gardens. The focus for the day was Science and in particular, plants. The children were amazing and had the best day. We could not have asked for better weather conditions. Not too hot, not too cold! After exploring the vegetable patch and wormery, we headed to do some pond dipping. We found all manner of wildlife, including newts and dragonfly larvae. We then had a wonderful walk through the gardens looking at the different varieties of trees and plants from around the world. This led us to the herb/ sensory garden, where we collected different herbs such as mint, rosemary, chives, lemongrass and curry leaves. Lunch was a rest stop on the grass in the sunshine. After lunch we played some games including a seed survival game where we worked in teams to see what things in nature may stop seeds and plants growing, for example, people stamping on them, too much rain, animals nibbling them and not enough rain. We ended the day role playing a story about a plant and learned a bit about bee pollination. A really fun day!

Year 2

Year 2 - Science

In Year 2, in our science lessons, we have been thinking about how plastic can be helpful and harmful. We were learning about reducing, reusing and recycling. We talked about how a lot of litter is plastic waste and did a litter pick in and around our school grounds. As a year group, we filled 4 bin liners of rubbish. Lots had blown into the hedges and trees surrounding our school field. The photographs show some of the unusual things we found!

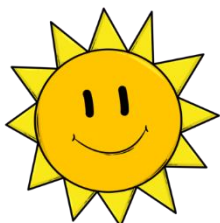

Year R - New Forest Wildlife Park

Year R really enjoyed exploring the New Forest Wildlife Park on their school trip. They were so well behaved and showed our school value of respect during the trip which was great to see. We are so proud of them. They are a credit to our school.

adventure. They were so inquisitive whilst being respectful of the Wildlife park. They are a credit to our school.

The Hedge End Food Bank would like to thank everyone for their support in donations. They are very grateful, and it will help the local community.

Summer Fayre -
Monday 21st
July 2025,
3:30pm -
6:00pm

During the warmer weather, please ensure that your child brings a water bottle with them to school. Please ensure this is clearly named.

COACH ANDY

OVER 15 YEARS EXPERIENCE WORKING IN SOUTHAMPTON FC ACADEMY

ELITE LEVEL COACH

UEFA A LICENCE QUALIFIED

EXPERIENCE IN WORKING WITH VARIOUS AGE GROUPS AND WITH DIFFERENT PLAYING FORMATS

Boys and Girls Welcome!

Our midweek training session is fun and challenging, we focus on teaching the technical aspects of the game and challenge the players decision making in skill based practices.

Group sizes are small to provide lots of opportunities to practice and improve players confidence on and off the ball.

IF YOU WOULD LIKE TO KNOW MORE OR SECURE A SPACE, CONTACT ANDY:
