# A Message From

# Mrs Jones

We have just three school weeks left of this academic year - it truly has flown by!

Thank you for your support last week during Sports Day - the children had a great day and there was no rain! Our final whole school event of the year will be the Summer Fayre which is on Monday 21st July at 3.30pm. If we can ask that all children are collected promptly so the site can be cleared and then we will reopen at 3.30pm. If your child is at The Nest - this does not apply. We have a petting farm, small rides, horse rides, year group singalongs and so much more! Please support this event, the Christmas fayre raised £3000 so we would love to match this figure. All funds go into our curriculum pot and help finance school trips and experiences.

Reports will be out on Friday 11<sup>th</sup> July and there is a chance for a final parents evening should you want to discuss the report on Wednesday 16<sup>th</sup> July.

As mentioned in the previous email we have a few staff leaving us this year. Mr Lewis, Mrs Trinidad, Ms Blightman, Miss Patten and Miss Dawes. Mrs Hinder is also leaving the office. We wish them all the very best for the future and thank them for their hard work and commitment to our school.

We welcome Miss Kingsland, Miss Sturgess, Miss Dix, Miss Townly and Mrs Martin.

Can I alert you again to the link for Evelyn Vassallo's just giving page. Evelyn has been growing her hair to cut and donate to the children's charity Little Princess Trust, a charity that makes wigs for children going through cancer treatment. She's hoping to get the 12 inches of hair needed, cut off before the summer holidays. She would also like to fundraise to help pay the £700 that it costs for a wig to be made. Well done Evelyn!

Nate has been working really hard in Year 3 and wrote this very thought provoking poem that we wanted to share.

No more shall we ignore the pain that our planet is in.

No more shall we shatter our joyful world.

No more shall we murder our unloved ocean

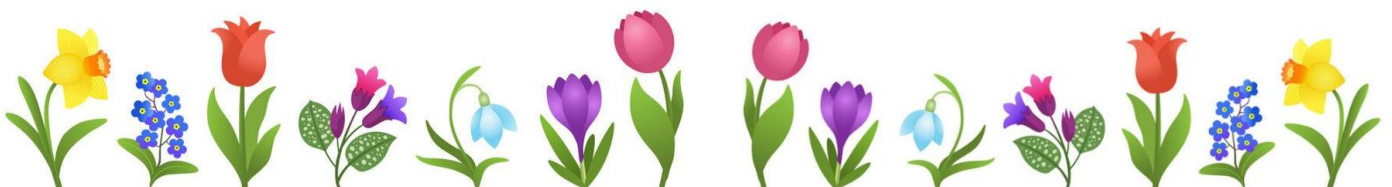

No more shall we cover the world in neglect.

No more shall we poison our land and sky.

No more shall we fail our planet like this.

Well done Nate!

Warm wishes,  
Mrs Jones

# Year 2 - Royal Victoria Country Park

On Tuesday 17th June, Year 2 went to Royal Victoria Country Park and what a gloriously hot day it was. We went with a Geography and Science focus. We took part in a Seashore Safari where we collected many different things from the beach and identified them. Different shells, seaweed and small creatures. We learned about what we can do for nature and what nature can do for us. We combed the beach for 'nurdles'.

Nurdle is a silly word for a product with not-so-silly effects. Nurdles are small pellets that are the first step in the process of making any plastic thing. Your plastic containers, bags, and bottles were all once nurdles.

Every nurdle is created to be melted down and turned into a product used by humans. But, that often isn't the case. Through leaks, spills, and other storage or transportation errors, nurdles end up in the environment, eventually making their way to the ocean.

So, what's the big deal? Little plastic pellets can't really cause any harm, right?

Wrong. Once in the ocean, nurdles can cause a whole host of issues. For one, many pollutants are attracted to the surface of nurdles, causing higher rates of toxicity in the water around them. Nurdles also are eaten by many organisms mistaking them for plankton or other food. Once in the ocean, nurdles don't go away. Over time, they will break up into smaller and smaller particles, but will always be out in the environment unless removed by humans.

We collected as many as we could to help with plastic pollution.

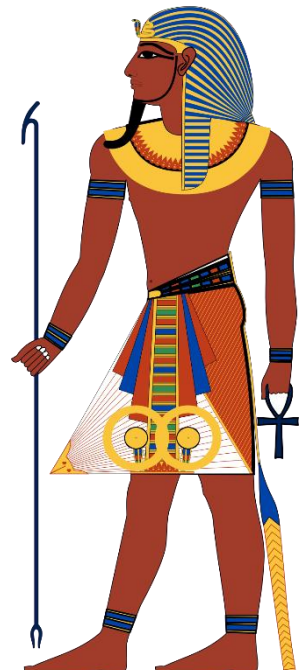

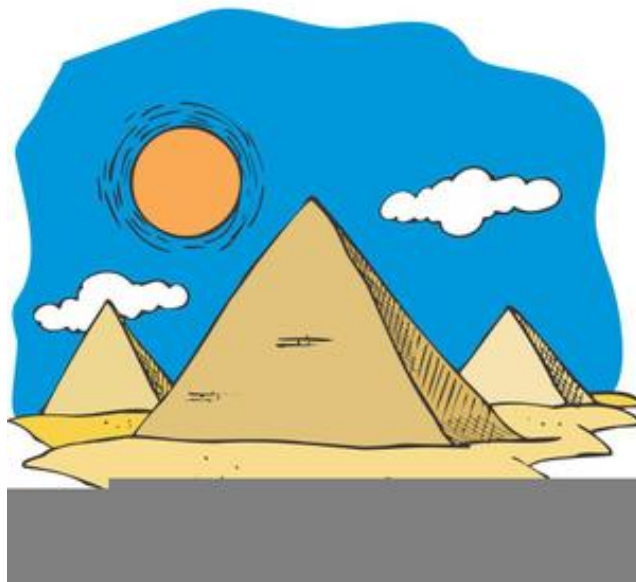

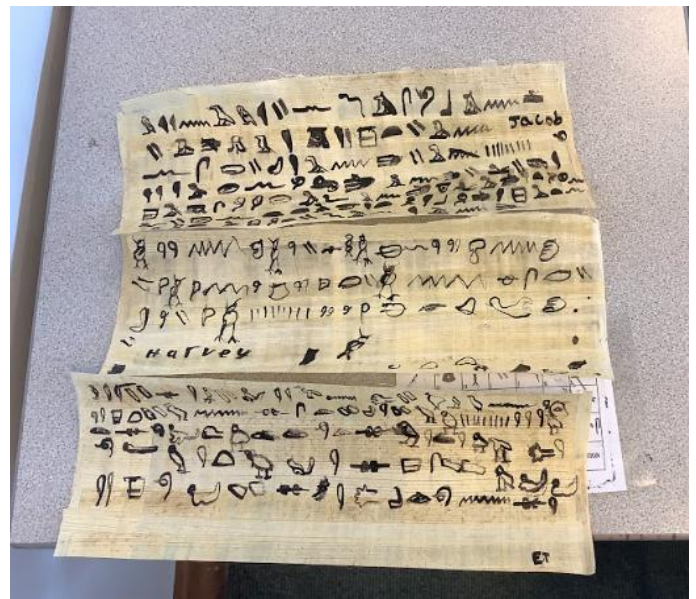

We had a great day and hopefully played our part in keeping plastic off of our beaches and out of our oceans.

# Year 5 - Stubbington Residential Trip

An amazing experience for our Year 5 children at the beginning of June. Thank you to Stubbington Study Centre for having us.

# Scholastic Book Fair Competition

Would you like to win a £5 voucher to spend at our Scholastic Book Fair, which will be in school 8th July-14th July?

Well, here's how...

Design a new front cover for one of your favourite books. This needs to be A4 sized and clearly show the title and author of the book. Any media can be used to decorate your book cover, whether it's pencils, pens, paints, embellishments– let your creativity go wild! All entries must be handed into the office and received by Miss Brine by 2nd July, 2025. Winners will be announced Monday 7th July for KS2 and Wednesday 9th July for KS1 in our reading assembly. Winners from both key stages will receive their vouchers by Monday 7th July in time to spend at the Scholastic Book Fair. Winning entries will be displayed in our school library. **There are 5 vouchers up for grabs!** We look forward to seeing your entries.

We would like to ask for your help!

We are hoping to organise some Summer Fayre raffles and would love your support!

We are trying to create a fund to support school trips, purchasing of equipment and supporting other projects around school. We have been very lucky to have such brilliant support from FOSSA.

If you feel you are able to donate, please let us know.

We have an exciting opportunity for some parents/families to have a table top stall at our upcoming Summer Fayre on Monday 21st July 2025. Set up will begin at 3:00pm and will run until roughly 5:30pm/6:00pm.

Each table top stall is available for the cost of £5.00, and we will provide the table for your convenience. This is a fantastic chance for you to have a clear out and sell your unwanted items at a local event.

If you are interested in having a table top stall at our Summer Fayre, please let us know. Your participation and support are greatly appreciated.

We look forward to seeing you at the Summer Fayre!

### Evelyn's Sponsored Haircut for The Little Princess Trust

Evelyn, aged 7, has been growing her hair for over a year now. She will be donating 12 inches of her hair, but it costs approx £700 for that hair to be made into a wig for a child. She would be so grateful for your donations. Anything you can spare would be amazing and would help a child going through the unimaginable.
